

# 10 Reasons to buy our Home Insurance for BDA members

## 1. Award winning claims service:

Making a claim can be a stressful time. You have access to our in-house claims support who will help make this process easier.

Plus the policy is underwritten by Ageas Insurance Ltd, who have won numerous awards for their claims service, including the 2014 Insurance Times Claims Excellence Awards and 2013 Institute of Customer Service awards.

## 10. Worldwide contents cover:

Your possessions are covered whether they are lost, stolen or damaged inside your home or all around the world.

## 9. 1,000 BDA members choice:

Over 1,000 BDA members now choose our Home Insurance to protect their home and belongings.

Our ability to offer BDA members high levels of cover at a competitive premium is what makes this membership benefit so popular.

## 8. Appointed by the BDA:

We are the appointed insurance broker for BDA members, so you can rest assured that the service you receive will be of the highest standard.

## 2. Accidental damage cover:

We'll cover you for accidental damage for both your contents and buildings. Being a standard benefit to our policy, this cover is already calculated into your premium rather than added on top.

## 3. High value protection:

We have standard sums insured of £1,000,000 for buildings and £100,000 for contents, including up to £25,000 for valuables such as watches and jewellery. For many members this provides peace of mind against being underinsured. Of course, if you need higher levels of cover than this, we can provide that as required.

## 4. Sustainable pricing:

As a broker for thousands of healthcare professionals (including doctors, dentists, vets, chiropractors and optometrists), it's our experience that such professionals have good claims records.

We have a track record of ensuring that premiums don't jump dramatically at each renewal, without good reason.

## 5. Low standard excess:

Our standard excess is £100, but if you're happy to have a higher excess, we will lower your premium accordingly.

## 7. Family Legal Protection:

As well as personal liability cover, you and members of your household are covered for personal disputes relating to employment, property and tax investigations.

## 6. Home Emergency Assistance:

In the event of an emergency, such as a burst pipe or lost keys, we will arrange for a local contractor to come to your home quickly to rectify the problem.
